

Marist Catholic College Stationery List

All students are expected to have the normal essentials for school. For example:

- Black Biro
- Red Biro
- Lead Pencils - HB & 2B options preferred
- Coloured pencils
- Eraser
- Rule - 30 cm wood or plastic
- Scissors - small ~ 15cm
- Sharpener
- Highlighter
- Basic USB flash drive.

Note: Metal Rules, permanent markers and liquid paper are not permitted at the College.

The recommended calculator is the Casio fx82 AU plus, which can be found at most stores like Office Works and Big W. These are about \$20 when on sale. Beware of cheaper variations as they may not work properly or be able to be used in BOSTES exams.

When buying a Geometry Set please ensure that the protractor can measure angles. Many sets have colours painted on them to look nice but it blocks the ability of the user to see the line below the protractor to measure an angle.

The following pages indicate the books required. The page numbers are intended as a guide and we know it is not always possible to find a book with the exact number of pages. If in doubt a basic A4 Exercise Book should be sufficient to use in each subject. It is always good to get some spares to use for study notes or to replace filled/lost/damaged books.

YEAR 7

- | | |
|--|---|
| <input type="checkbox"/> Religious Education | <input type="checkbox"/> ~128p A4 Exercise Book
<input type="checkbox"/> Students will be receiving a Bible during their first term at school. |
